Introduction

In the ever-evolving electrical industry, **TDMI Training** and **Nearby Electrician** have joined forces to provide a comprehensive solution for electricians—offering both expert training and ongoing support for business growth. Together, these entities ensure electricians are not only technically proficient but also equipped to thrive in the competitive marketplace.

What is Nearby Electrician?

Nearby Electrician is a **monthly membership platform** designed to empower electricians by providing access to key benefits and partnerships that cater to their **technical, marketing, and governance needs**. Through collaborations with industry specialists, members gain a support system that covers every aspect of their business journey.

Membership Benefits

Nearby Electrician focuses on four core areas to help members grow:

1. Technical Assistance

Members enjoy access to technical expertise through **WhatsApp and email**, connecting directly to the industry leaders at **TDMI Training**. With years of experience and a proven track record in technical training, TDMI offers guidance on electrical standards, troubleshooting, and technical queries, ensuring you always have the support you need. We keep you up to date with the newest regulation and criteria for the Electrical industry.

2. Building Your Business

The **Build Your Business** initiative provides tools, resources, and add-ons designed to enhance business operations. From marketing assistance to DOL registrations, members receive the support necessary to **stay competitive** and **scale their businesses effectively**.

3. Administrative Assistance at reduced cost for members

- Members enjoy access to all certificate of compliances
 - Electrical and Electric Fences CoC's - hardcopy
 - Electrical CoC's – digital
 - Solar test report – digital
- All SABS regulation
- DOL Contractors Registration and Renewals
- Welcome pack with registration

4. Insurance Assistance

Nearby Electrician ensures members are prepared for unforeseen events by partnering with specialist insurance brokers. Members have access to personalized insurance advice and solutions, covering both **personal and business needs** for short-term and long-term protection.

Why join Nearby Electrician

With a mission to support electricians at every stage of their career, **Nearby Electrician** goes beyond providing a service—it offers a community. By partnering with **TDMI Training**, members gain a trusted ally in technical expertise, while other partnerships ensure support in areas like insurance, marketing, and business growth.

Join Today!

Nearby Electrician welcomes you to a platform designed for electricians, by electricians. Whether you're looking to enhance your technical skills, expand your business, or secure the best insurance solutions,

Nearby Electrician is here to assist.

Together with **TDMI Training**, we are **empowering electricians and building futures**, one connection at a time.

Start your journey today—Join **Nearby Electrician** and unlock the tools you need to succeed.
